

# CHARADES FOR KIDS

## Helpful Hints

1. Are props allowed?
2. Can the littlest players make sounds?
3. Who is going to be the "reader" for the non-readers?
4. Are you keeping score or just having fun?
5. Will you have signals for "animal", "person" or others?

## Supplies needed:

- Charades cards (cut them out and fold in half)
- Hat
- Timer
- Paper and pencil (if needed)
- Props (if needed)

## Rules:

1. Have the youngest player pick a card.
2. The timer starts after the card has been read. They have 60 seconds.
3. Other players guess what the actor is trying to share.
4. If no one gets it, the person to the left can give the same word a try or they can grab a new card. The choice is theirs.
5. Continue around the group.
6. The game is over when one person scores 10 or everyone has had enough. Enjoy!
